COOL RECEPTION!

Dear STC

As the comic is made up of great stories and brilliant artwork, I was delighted to discover that these contents were going to be printed entirely on recycled paper from issue 108. Guaranteed to make Doctor Robotnik blow his environmentally unfriendly big head! Incidentally, I hope that you keep on printing the Tails stories because they are my favourite

Robert McKeon, Prosperous, Co Kildare, Rep of Ireland.
Enamel Badge Winner.

What a silver-tongued young hime you are Robert, and for that you get yourself a Badge

YOUR LETTER

Dear Megadroid

I noticed that in most Sega games the females are wearing hardly anything. Why? Not all gamers like me enjoy seeing half nude images of women dancing about the screen! Aaron Hayden, Malvern, Worcs. GG, MD & MS owner.
Enamel Badge Winner.

Absolutely Aaron, if I had my way all of the hime characters would be decked out in non-clothing just like me. Alternatively, perhaps a few clothes designers should be hired!

RUSTY RUSE!

Megadroid

This is Doctor Robotnik, ruler of Mobius telling you that you are a mere rustbucket compared to my super troopers! It is useless to resist me as I have Badnik strike forces surrounding your planet. However, I might consider going away if you make arrangements for me to star in my own comic. Ruthless Dictator, name & address not supplied.
Enamel Badge Winner.

Really I'm surprised you would waste your time writing to a who's was it... "a mere rustbucket!"

Michael Ross
Livingston, Scotland, Enamel Badge Winner.
